

Organic Clover Sprouts

Like all green sprouts, Clover sprouts are an excellent source of vitamins A, B and C, and contain enzymes that aid in digestion.

They also contain an abundance of highly active antioxidants that prevent DNA destruction and protect us from the ongoing effects of aging.

Similar in look and taste to alfalfa, clover is a bit sweeter and has a thicker stalk.

| PRODUCT | 3 oz. Clamshell | 5 lbs. Box |
|--------------------|---|------------------------|
| ITEM NUMBER | 0050045 | 0050046 |
| UPC CODE | 0 17442 31020 8 | Foodservice only |
