

Organic Broccoli Sprouts

Your super salad awaits you. Broccoli sprouts have the highest level of sulforaphane glucosinolate, a strong phytochemical that induces phase 2 (detoxification) enzymes that deactivate carcinogens.

Add broccoli sprouts to salads, sandwiches and wraps. They complement other veggies well and add a crunchy texture to the mix. You can also use them to replace or complement other vegetables.

PRODUCT	3 oz. Clamshell	5 lbs. Box
ITEM NUMBER	0050032	0050033
UPC CODE	0 17442 51025 7	Foodservice only
